**News and Updates from the Comprehensive Opioid,
Stimulant, and Substance Abuse Program
Collaborative at NYU**

We know that you're all busy with your own COAP/COSSAP projects and that it's hard to keep up with developments in the field. Here are a few recent items on SUD that we've found interesting—a webinar on burnout (hurry, it's September 20), an online course for whole-person care, and an overdose-prevention toolkit. Wishing you a wonderful fall!
