**News and Updates from the Comprehensive Opioid,
Stimulant, and Substance Abuse Program
Collaborative at NYU**

We know that you're all busy with your own COAP/COSSAP projects and that it's hard to keep up with developments in the field. Here are a few recent items on SUD and justice-involved people that we've found interesting—don't miss the new funding opportunities for your programs, and be sure to let us know if we can assist your efforts. Additionally, we hope you'll look at the good work our friends in Winnebago Co. (Wis.) are doing as well as new DOJ guidance. Have a bright spring!
