**News and Updates from the Comprehensive Opioid,
Stimulant, and Substance Use Program
Collaborative at NYU**

We know that you're all busy with your own COAP/COSSAP projects and that it's hard to keep up with [developments](#) in the field, including the recent OJP program name change to Comprehensive Opioid, Stimulant, and Substance Use Site-based Program (COSSUP). Here are a few recent items on SUD that we've found interesting—new BJA funding opportunities, new rules for permanent telemedicine flexibilities, and a new FindTreatment.gov resource. With our best wishes,

team
